

Dear Residents. Family Members, and Friends,

We are happy to announce that we have not had any covid cases throughout the month. A big thank-you and shout-out to our staff, who work every day to maintain a safe environment that truly feels like home to our residents.

It's been a busy month here at Riverview Estates! We started off March with a Mardi Gras celebration followed by Ash Wednesday Services. We also had the privilege of having a special Resident's Rights Bingo sponsored by the Office of the Ombudsman. We cooked up a delicious St. Patrick's Day meal, held some very popular arts and crafts activities, and are gearing up for a Super Spring! Our residents have been able to enjoy live entertainment in our main dining room while taking in the beautiful river view. This month's performers included the Singing Angels, Derry Minstrels, Chuck Sikora, and Donna Hall. The Burlington County Book Mobile will also resume making monthly stops for our residents to enjoy.

With the days getting longer, it's a great time to start a bit of spring cleaning. Clearing up clutter can be good for both your physical and mental health. Make it a family affair. Invite the kids and grandkids. When you're going through items, make it a point to stop and reminisce. It's a great chance to look back while growing closer with your loved ones. We encourage you to help your loved one go through belongings and items that have accumulated over time to determine what can be thrown out or given away. Doing so can help minimize unnecessary clutter, free up space in their room, and make it easier to get around. While a helping hand can be appreciated, it's important to make sure that they take the lead on this task, as you don't want your loved one to feel like their space or independence is being compromised.

Attached you will find the most recent publication of The Beacon – A newsletter for long term care residents.

We are really excited and eagerly looking forward to some positive changes at Riverview Estates. We will keep you posted as soon as we have the details.

We Want to Hear From You

If you have any ideas on how we can continue to improve our communications and services, we want you to let us know.

Respectfully yours,

Shawne Mimna
